PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS

The following information is furnished in connection with a solicitation of proxies by and on behalf of the Board of Directors of First Trinity Financial Corporation (“First Trinity” or the “Company”). The proxies we receive will be voted at the Annual Meeting of Shareholders (the “Annual Meeting”) of the Company to be held at the Premier Room of the Embassy Suites Tulsa – Interstate 44, 3332 South 79th East Avenue, Tulsa, Oklahoma 74145 on Wednesday, May 16, 2018 at 1:00 p.m. (Central Daylight Savings Time), and at any adjournment thereof, for the purposes set forth in the Notice of Annual Meeting. This Proxy Statement and the accompanying proxy are first being mailed to our shareholders on or about March 20, 2018.

PROCEDURAL MATTERS

Record Date and Outstanding Shares

We have issued one class of capital stock. Stockholders of record at the close of business on Monday, March 19, 2018 (the “Record Date”) are entitled to receive notice of and to vote at the Annual Meeting. On the Record Date, 7,802,593 shares of the Company’s common stock, \$0.01 par value, were issued and outstanding.

Voting and Solicitation

Every stockholder of record on the Record Date is entitled, for each share held, to one vote on each proposal that comes before the Annual Meeting. In the election of directors, each stockholder will be entitled to vote for eight nominees.

Whether you hold shares directly as the stockholder of record or beneficially in street name, you may vote by completing, signing and mailing the proxy card enclosed therewith in the postage-prepaid envelope provided for that purpose. Your completed and signed proxy may also be returned to the Company by Fax or email. Voting by written proxy will ensure your representation at the Annual Meeting, if you do not attend in person. For specific instructions on how to vote your shares, please review the instructions on the proxy card enclosed with the proxy materials.

The cost of this solicitation will be borne by the Company. The Company may reimburse expenses incurred by brokerage firms and other persons representing beneficial owners of shares in forwarding solicitation materials to beneficial owners. Proxies may be solicited by certain of First Trinity’s directors, officers and other employees, without additional compensation, personally, by telephone, Fax or email.

Any proxy representing shares of common stock entitled to be voted at the Annual Meeting that specifies how it is to be voted will be voted accordingly if properly executed and received by the Company before voting begins at the Annual Meeting, or any adjournment(s) thereof. Shares as to which authority to vote has been withheld with respect to the election of any nominee for director will not be counted as a vote for such nominee and neither any abstention or a broker non-vote will be counted as a vote for a proposal. Any properly executed proxy will be voted in accordance with instructions specified but in the absence of any instructions will be voted “FOR ALL” or “FOR” any proposal or nominee at the Annual Meeting and any adjournment(s) thereof.

Revocability of Proxies

Proxies given pursuant to this solicitation may be revoked at any time before they have been used. You may change or revoke your proxy by delivering a written notice of revocation to the Secretary of First Trinity or by completing a new proxy card bearing a later date (which automatically revokes the earlier proxy instructions). Attendance at the Annual Meeting will not cause your previously granted proxy to be revoked unless you specifically so request by notifying the inspector of elections of your intention to revoke your proxy and voting in person at the Annual Meeting.

PROPOSALS TO BE VOTED ON:

- (1) To elect eight directors to hold office for a term of one year each or until their successors are duly elected and qualified.
- (2) To ratify the selection of Kerber, Eck & Braeckel LLP, as First Trinity's independent registered public accounting firm for the year ending December 31, 2018.
- (3) To transact such other business as may properly come before the meeting or any adjournment or postponement thereof.

PROPOSAL ONE: ELECTION OF DIRECTORS

General

The Board of Directors consists of one class, with the term of office expiring each year. The number of Directors which will constitute the entire 2018 Board of Directors is eight. The number of Directors that served on the 2017 Board of Directors was eight. The Company's By Laws designate that the number of Directors which constitutes the entire Board of Directors is twelve. The Company has elected to nominate eight Directors instead of twelve since it has found no compelling reasons in 2018 to have twelve Directors. Proxies can only be voted for eight persons that correspond to the number of Directors nominated.

The Board of Directors determined that six of the eight current Directors nominated are "independent" as defined by NASDAQ listing standards and rule 10A-3 of the Securities and Exchange Act of 1934. The non-independent directors are Gregg E. Zahn and William S. Lay.

Vote Required

Votes withheld from any Director are counted for purposes of determining the presence or absence of a quorum, but have no legal effect under Oklahoma law.

Unless otherwise instructed, the proxy holders will vote the proxies received by them for First Trinity's eight nominees named below, to hold office for a term of one year each or until their successors are duly elected and qualified. If any nominee of First Trinity is unable or declines to serve as a director at the time of the Annual Meeting, the proxies will be voted for any nominee who is designated by the present Board of Directors to fill the vacancy. It is not expected that any nominee will be unable or will decline to serve as a director.

THE BOARD OF DIRECTORS RECOMMENDS THAT SHAREHOLDERS VOTE FOR THE NOMINEES LISTED BELOW.

Nominees for Election at the Annual Meeting

The Nomination and Corporate Governance Committee, consisting of two independent directors and one non-independent director as determined under applicable NASDAQ listing standards, recommended that the Company's Board of Directors be limited to eight members and also recommended the eight individuals set forth in the table below for nomination by our full Board of Directors. All eight of the current directors were nominated for re-election. Based on such recommendations, our Board of Directors nominated such eight directors for election at the Annual Meeting.

The following sets forth information concerning the nominees for election as directors at the Annual Meeting, including information as to each nominee's age as of the Record Date, position with the Company and business experience.

Audit Committee

The Audit Committee of the Board of Directors is currently composed of four directors: Will W. Klein (chairman), Bill H. Hill, Gerald J. Kohout and Gary L. Sherrer, each of whom is determined to be an independent director as the term is defined by the NASDAQ listing standards. The Board of Directors has also determined that Mr. Klein qualifies as an "audit committee financial expert," as defined in applicable SEC rules.

The Audit Committee met four times during 2017. The Audit Committee was established by the Board of Directors in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934 to oversee the Company's financial reporting process, the system of internal financial controls and audits of its financial statements. The Audit Committee (1) provides oversight of the Company's accounting and financial reporting processes and the audit of the Company's financial statements, (2) assists the Board of Directors in oversight of the integrity of the Company's financial statements, the Company's compliance with legal and regulatory requirements, the independent public accounting firm's qualifications, independence and performance, and the Company's internal accounting and financial controls and (3) provides to the Board of Directors such information and materials as it may deem necessary to make the Board of Directors aware of significant financial matters that require the attention of the Board of Directors. The Audit Committee acts pursuant to a written charter adopted by the Board of Directors, which is available in the "Corporate Governance" section of the Company's website at www.firsttrinityfinancial.com.

Compensation Committee

The Compensation Committee reviews and approves the compensation and benefits for the Company's executive officers and performs such other duties as may from time to time be determined by the Board of Directors. The Compensation committee acts pursuant to a written Charter adopted by the Board of Directors, which is available in the "Corporate Governance" section of the Company's website at www.firsttrinityfinancial.com.

Nominating and Corporate Governance Committee

The Board of Directors provided for a Nominating and Corporate Governance Committee at its April 18, 2007 meeting. This committee meets on call and submits recommendations to the Board of Directors for the number of members to be included in the Company's Board of Directors, the individuals to be submitted to the shareholders for election for the Company's Board of Directors and coordinates the corporate governance activities of the Company. The Nominating and Corporate Governance Committee, which currently consists of independent (as the term is defined by the NASDAQ listing standards) directors Charles W. Owens (Chairman) and Gary L. Sherrer and non-independent director William S. Lay, met one time in 2017. The Nominating and Corporate Governance committee acts pursuant to a written Charter adopted by the Board of Directors, which is available in the "Corporate Governance" section of the Company's website at www.firsttrinityfinancial.com. The Nominating Committee considers individuals recommended by Company shareholders. Such recommendations should be submitted to the Secretary of the Company at least 120 days before the date on which the Company first mailed its proxy materials for the prior year's Annual Meeting. **PROPOSAL TWO:
RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

The Audit Committee has appointed Kerber, Eck & Braeckel LLP (“KEB”) as the independent registered public accounting firm of the Company for the year ending December 31, 2018. Although ratification by shareholders is not required by law, the Board of Directors has determined that it is desirable to request ratification of this selection by the shareholders. Notwithstanding its selection, the Audit Committee, in its discretion, may appoint a new independent registered public accounting firm at any time during the year if the Audit Committee believes that such a change would be in the best interest of the Company and its stockholders. If the stockholders do not ratify the appointment of KEB, the Audit Committee may reconsider its selection. KEB has audited the Company’s financial statements since the Company’s inception. No representative of KEB is expected to be present at the Annual Meeting.

Accounting Fees

The following table shows the fees paid or accrued by the Company for the audit and other services provided by KEB.

	Years Ended December 31.	
	2017	2016
Audit Fees (including expenses)	\$ 109,001	\$ 100,791
Audit Related Fees	35,250	33,750
Tax Fees	8,500	7,500
All Other Fees	-	-
Total	\$ 152,751	\$ 142,041

Audit fees primarily represent fees for financial services provided in connection with the audit of the Company’s consolidated financial statements, statutory financial statements of TLIC and FBLIC and SEC Form 10-K. Audit related services primarily represent fees for financial services in connection with the review of the Company’s quarterly reports and SEC Form 10-Q.

Pre-Approval of Audit and Non-Audit Services

The Audit Committee pre-approves all audit and permissible non-audit services provided by our independent registered public accounting firm. These services may include audit services, audit-related services, tax services and other services. Prior to engaging our independent registered public accounting firm to render an audit or permissible non-audit services, the Audit Committee specifically approves the engagement of our independent registered public accounting firm to render that service. Accordingly, we do not engage our independent registered public accounting firm to render audit or permissible non-audit services pursuant to pre-approval policies or procedures or otherwise, unless the engagement to provide such services has been approved by the Audit Committee in advance. As such, the engagement of KEB to render 100% of the services described in the categories above was approved by the Audit Committee in advance of the rendering of the services.

REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

The Audit Committee has reviewed and discussed the audited financial statements for the year ended December 31, 2017 with the Company’s management. The Company’s management has primary responsibility for the Company’s financial reporting process and internal controls as well as preparation of the Company’s consolidated financial statements. The independent registered public accounting firm is responsible for performing an audit in accordance with the standards of the Public Company Accounting Oversight Board (United States) (PCAOB) to obtain reasonable assurance that the Company’s consolidated financial statements are free from material misstatement and expressing an opinion on the conformity of such financial statements with accounting principles generally accepted in the United States. The Audit Committee is responsible for overseeing and monitoring the independent registered accounting firm’s audit process on behalf of the Board of Directors.

The Audit Committee has discussed with KEB, the Company’s independent registered public accounting firm for the year ended December 31, 2017, the matters required to be discussed by PCAOB Auditing Standard No. 1301, “Communications with Audit Committees” as amended and adopted by PCAOB. PCAOB Auditing Standard No. 1301 requires an auditor to discuss with the Audit Committee, among other things, the auditor’s judgments about the quality, not just the acceptability, of the accounting principles applied in the Company’s financial reporting. The Audit Committee has also received the written disclosures and the letter from KEB required by PCAOB Rule 3526, “Communication with Audit Committees Concerning Independence,” and has discussed with KEB its independence from FTFC.

Based on the review and discussions referred to above, the Audit Committee recommended to FTFC's Board of Directors that the audited financial statements be included in FTFC's Annual Report on Form 10-K for the year ended December 31, 2017, for filing with the Securities and Exchange Commission.

In accordance with the rules of the Commission, this report is not to be deemed "soliciting material," or deemed to be "filed" with the Commission or subject to the Commission's Regulation 14A, other than as provided in Item 407 of Regulation S-K, or to the liabilities of Section 18 of the Securities Exchange Act of 1934, as amended, except to the extent the Company specifically requests that the information be treated as soliciting material or specifically incorporates it by reference in documents otherwise filed.

BOARD LEADERSHIP STRUCTURE AND ROLE IN RISK OVERSIGHT

The Company's Board of Directors is currently composed of eight members. Six members are independent and two members (i.e., Mr. Zahn and Mr. Lay) are executive officers of the Company.

Mr. Zahn serves as both the principal officer of the Company in his role as President and Chief Executive Officer and Chairman of the Board of Directors. The Company does not have a lead independent director. The Company has determined that this leadership structure (combining the principal executive officer and chairman into one position in 2011) is appropriate since the Company initially formed a financial holding company and raised capital by intrastate private and public offerings in the state of Oklahoma through the sale of shares with the purpose of establishing a life insurance company and premium financing company. The Company has since grown by acquisition and by the production of life insurance policies and annuity contracts. In 2011, the Board of Directors elected Gregg E. Zahn Chairman. Having Mr. Zahn in these dual roles as principal executive officer and chairman has galvanized the Company's focus on its vision and mission as it grew to over \$391.1 million of assets as of December 31, 2017.

The Board of Directors is elected by the shareholders to oversee management and to ensure that the long-term interests of the shareholders are being served. In considering the long-term interests of shareholders, the Board recognizes the importance of considering and addressing the interests of the Company's other major constituents, including policyholders, employees and the communities in which the Company conducts its business.

To fulfill this oversight function, the Company's Board of Directors holds at least four regularly scheduled meetings during the year, at which it reviews and discusses reports by management on the performance of the Company, its plans and prospects, as well as immediate issues facing the Company. In addition to its general oversight of management, the Board of Directors or its Committees also perform a number of specific functions, including:

- reviewing, advising, approving and monitoring fundamental financial and business strategies and major corporate actions;
- assessing major risks facing the Company, and reviewing options for their mitigation;
- selecting, evaluating and compensating executive management and overseeing executive management succession planning;
- providing advice and counsel to executive management;
- providing counsel and oversight on the selection, evaluation, development and compensation of senior management; and
- ensuring processes are in place for maintaining the integrity of the Company, including the integrity of the financial statements.

SECURITY OWNERSHIP

The following table sets forth the beneficial ownership of the Company's common stock as of the Record Date (i) by all persons known to the Company, based on statements filed by such persons pursuant to Section 13(d) or 13(g) of the exchange act, to be the beneficial owners of more than 5% of FTFC's common stock, (ii) by the executive officers named in the Summary Compensation Table under "Executive Compensation", (iii) by each director, and (iv) by all current directors and executive officers as a group.

EXECUTIVE COMPENSATION

The Compensation Committee assists the Board of Directors in overseeing the management of the Company's compensation and benefits program, chief executive officer performance and executive development and succession efforts. In addition, they oversee the evaluation of management and compensation of the officers of the Company.

The primary objective of our compensation program is to offer executive officers competitive compensation packages that will permit the Company to attract and retain individuals with superior abilities and to motivate and reward such individuals in an appropriate manner in the long-term interest of the Company and its shareholders. Management provides recommendations to the Compensation Committee regarding most compensation matters, including executive compensation; however, the Compensation Committee does not delegate any of its functions to others in setting compensation. The Company does not currently engage any consultant related to executive compensation matters.

The Company's compensation program for executive officers consists of base salary, consideration for annual bonuses, 401(k) plan and life, health and dental insurance coverage. These elements are intended to provide an overall compensation package that is commensurate with the Company's financial resources, that is appropriate to assure the retention of experienced management personnel and that aligns their financial interest with those of our shareholders.

Base Salary: Salary levels recommended by the Compensation Committee are intended to be competitive with salary levels of similarly situated companies, commensurate with the executive officers' respective duties and responsibilities, and reflect the financial performance of the Company. Annual salary increases are considered based on the same criteria.

Cash Bonuses: Bonus amounts are based on individual performance and are intended to reward superior performance. The Compensation Committee may also take into account additional considerations that it deems appropriate. Bonuses are discretionary and there is no formal bonus plan in place except for Gregg E. Zahn's asset and net profit bonus presented below.

The following Summary Compensation Table sets forth the compensation of the executive officers compensation that exceeded \$100,000.

COMPENSATION DISCUSSION AND ANALYSIS (CD&A)

The following Compensation Discussion and Analysis ("CD&A") describes the material elements of compensation for executive officers identified in the Summary Compensation Table.

Compensation Philosophy

The Compensation Committee, composed of four independent directors, is responsible for implementing our compensation philosophy for directors, executive officers and employees. Our goal is to ensure we employ qualified, experienced executive officers whose financial interests are aligned with that of our shareholders. Because we do believe a systematic pattern exists between executive compensation and performance, our compensation philosophy is structured to "motivate" managerial behaviors through a combination of base and incentive compensation.

Another of our objectives is to acquire and retain people of integrity who take pride in delivering positive results. The final objective, due to our philosophy to outsource many functions and retain a low number of full-time and part-time employees, requires us to have executive officers that are able to perform and have an intimate knowledge of a combination of executive, actuarial, accounting, operating and other understandings inherent in supervising and growing a successful life insurance company.

Overview of Compensation Program

Our compensation consists of salary, bonuses, allowances and benefit plans generally administered equally for all qualified Company employees. The Compensation Committee establishes a salary for each senior executive based on long-term corporate objectives, competitive industry practices and each executive officer's contributions. The Compensation Committee seeks to ensure executive compensation is reasonable, fair and competitive. In order to make this determination, toward the end of each calendar year, the Compensation Committee generally evaluates the Company's performance and then conducts a similar exercise with respect to a group of comparable companies.

"Say-on-Pay" and "Say-When-on-Pay"

We believe our compensation philosophy and structure is fair for our executive officers. Shareholders will not find complex compensation formulas to evaluate and approve. However, to retain our limited number of corporate executives, we generally allow a minimum of one year to a maximum of 2.99 years of compensation in the event of termination of employment by the Company not for cause or for good reason. Our straightforward and simplified approach to executive compensation insulates our shareholders from the types of corporate excesses which led to the enactment of "Say-on-Pay" and "Say-When-on Pay." We believe our compensation solution favorably serves our shareholders on matters of executive pay.

Compensation Performance Analysis

Our executive management team is led by Gregg E. Zahn and Jeffrey J. Wood who are full-time employees and William S. Lay who is a part-time employee. The Compensation Committee conducted a review of the performance of Gregg E. Zahn, Jeffrey J. Wood and William S. Lay for the year 2017. This review included an evaluation of the progress made towards the attainment of our corporate objectives and the role these individuals played in meeting those objectives. The review also included a broad-based comparison of salaries with senior executives of other publicly traded life insurance companies.

Due to being a smaller public reporting company and that our common stock is not publicly traded, it is difficult to find public life insurance companies that are comparable to us. Despite the continuing global economic uncertainty, other market related factors for the majority of 2017 and the filing of life insurance policies and annuity contracts and certificates of authority for the expansion of marketing and licensing opportunities for TLIC and FBLIC into additional states, seeking out investment opportunities with higher yields and pursuing acquisition and growth opportunities, the Company experienced increases in assets and revenues of \$57,875,061 and \$6,011,347, respectively, in 2017 as compared to 2016.

The Company's performance in 2017 reflected the business philosophy and leadership of Gregg E. Zahn, Jeffrey J. Wood and William S. Lay. Giving consideration to these factors, the Compensation Committee was encouraged by executive management's demonstrated leadership. The Compensation Committee considers Gregg E. Zahn, Jeffrey J. Wood and William S. Lay to be valuable executive officers in implementing our corporate objectives.

Gregg E. Zahn continues to lead the Company in accordance with the ideals and philosophies of acquisition of companies and organic growth of the life insurance and annuity business coupled with the ultimate goal of establishing a public traded stock. Jeffrey J. Wood reports to Gregg E. Zahn and leads the daily financial operations of the Company in accordance with those same ideals and philosophies. William S. Lay reports to Gregg E. Zahn and leads the investment operations of the Company in accordance with those same ideals and philosophies. In 2017, Gregg E. Zahn, Jeffrey J. Wood and William S. Lay met and exceeded the subjective expectations of our Board of Directors and shareholders.

The Compensation Committee remains cautious about its responsibility to shareholders in setting executive compensation during difficult market conditions and has asked executive management to focus on continued asset growth and profitability. Gregg E. Zahn received a 6.00% increase in base salary to \$401,467 in 2017, received a \$497,537 bonus in 2017 related to the profitable 2017 operating results of the Company and the Company's exceeding \$350,000,000 in assets and also received an automobile allowance of \$13,200. Jeffrey J. Wood was compensated in 2017 with a base salary of \$262,650 and bonus of \$15,000. William S. Lay's employment agreement was renewed for three years in late 2015 and now is effective through December 31, 2018 and was compensated \$108,304 in 2017.

Compensation Comparables

To assist in establishing the compensation for 2017, the Compensation Committee utilized independent sources to identify "comparables" within the life insurance industry. We believe a comparable is a point of reference for measurement, but not the determinative factor for our executives' compensation. Because the comparative compensation information is one of several analytic tools used in setting executive compensation, the Compensation Committee has discretion in determining the manner and extent of its use.

Three comparables were selected for discussion of 2017 salaries. These comparables were: Atlantic American Life and Health, National Security Group and Midwest Holdings, Inc. Each of these comparable companies has different operating activities and product mixes compared to FTFC but there is insufficient public information available on compensations for life insurance companies closer to our size. We also analyzed the results of Investors Heritage Life Insurance Company, Citizens, Inc. and Securities National Financial Corporation. These last three companies are larger than us in size but we are familiar with their operations and executives due to third party administrative services arrangements, prior employment history and participation in national life insurance associations. Data obtained on each comparable company included executive salaries, fees paid to independent members of Board of Directors, total assets, liabilities, shareholders' equity, revenues, benefits and expenses, taxes and net income.

Compensation data found on these comparables was limited to only those individuals for whom compensation information was disclosed publicly. As a result, the data typically included only the most highly compensated officers at each company as of their latest public filing. Generally, this correlated to the Chairman/CEO, President and the individuals who are chief level officers (Chief Financial Officer, Chief Operating Officer and Chief Investment Officer) or the equivalent with us.

Comparative Compensation Analysis

The overall results of the comparables study provided additional information for the Compensation Committee to consider. As noted above, the Compensation Committee reviewed a number of factors within the comparable companies; however, with the focus on base salary compensation.

Based on the Compensation Committee's analysis, the recommended 2018 base salary compensation for Gregg E. Zahn, our Chairman, President and Chief Executive Officer, and Jeffrey J. Wood, our Chief Financial Officer, Secretary and Treasurer, was determined to be low by the Compensation Committee, especially in light of the many roles that they perform for our Company. These amounts are significantly lower than both the base compensation and total compensation for the comparable companies. In analyzing these factors, the Compensation Committee concluded that \$401,467 is a low base salary compensation for our Chairman, President and Chief Executive Officer and \$262,650 is also a low base salary compensation for our Chief Financial Officer. However, the Compensation Committee believes that through the use of appropriate bonuses and other incentives, these compensation shortages can be managed most efficiently and effectively using Company asset growth and profitability as measurement standards.

The Compensation Committee followed a similar but less elaborate, process with respect to comparing the compensation for William S. Lay in his role as Vice President and Chief Investment Officer and as a part-time employee. William S. Lay has extensive experience in the life insurance industry and contributes unique skills in Company management, operations, investment analysis and merger and acquisition activities. His salary was not objectively determined, but instead reflected his contractual pay that was established in late 2015 at a level the Compensation Committee concluded was appropriate based upon our compensation philosophy and his experience and tenure.

Board Process and Conclusion

The Board of Directors discussed the Compensation Committee's recommended 2018 compensation and adopted the recommendations as proposed. The Compensation Committee of the Company has reviewed and discussed the Compensation Discussion and Analysis required by Item 402(b) of Regulation S-K with management and, based on such review and discussions, the Compensation Committee recommended to the Board of Directors that the Compensation Discussion and Analysis be included in this Proxy Statement, which the Board of Directors approved.
